

Foxborough Child Sexual Abuse Awareness Committee

Minutes 1/28/2016

Attendees: Members in attendance Bob Correia, Lynda Walsh, , Jeff Downs

Absent: Rob Lucas, Bill Dudley, Deb Spinelli

Motion from Jeff to accept minutes from 1/7 second by Lynda, motion carried 3-0.

The remaining library folks will take the training with COA on February 2nd.

Jeff looked into getting our own site for content only, cost should be about \$120.00 per year. We will set up the town website to have a link directing folks to our site. We will put up notices about upcoming training, and a link to the online training available for \$10.00. There is a new update training available and Bob will get more information about it.

The group discussed how best to reach out to other groups and inform them about what our committee does, the training we have available. Lynda will write a form letter that we can send to groups and other entities that deal with children on a daily basis. We also feel that we should develop a generic code of conduct for groups that may not have one and may ask for our direction.

Lynda will ask Jack Authelet for help in writing up a psa for cable to show, encouraging folks to come to town meeting and vote for our Home Rule Petition.

The group set the Spring training date for March 18 and 19 at the Mill Street Facility; Friday 7-9 and Saturday 10-12.

Lynda will post the meeting with Adcom for the 13th.

Next meeting will be 5:00 on February 4 at the Boyden Library.

Motion to adjourn by Jeff, second by Bob, motioned approved 3-0.
